

A well-known Indian electrical distribution box supplier

Article Overview

Vaibhav Laxmi Industries and Shrinath Electric are among the leading electrical distribution box manufacturers and suppliers in India.

Key Suppliers

Vaibhav Laxmi Industries (VLI) VLI is a prominent manufacturer of electrical distribution boxes in India, offering a wide range of products for residential, commercial, and industrial applications. Their distribution boxes are designed for streamlined power distribution, enhanced safety with circuit breakers and surge protection, and robust construction for long-term performance. VLI provides customization options and ensures compliance with safety standards, making them a trusted choice for reliable power management solutions (Vaibhav Laxmi Industries) . Shrinath Electric Shrinath Electric has over 30 years of experience in manufacturing high-quality electrical distribution boxes. They offer various types of distribution boards, including flush-mounted, surface-mounted, and floor-standing units, suitable for different environmental conditions. Their products are inspected at every production stage to ensure durability and reliability. Shrinath Electric caters to both domestic and international clients, providing customized solutions at competitive prices (Electrical Panel India) .
