

ANS distribution box

Overview

In addition to improved sealing, the location of the closure screws on the outside provides extra internal space for full-board or component-mounting capabilities. Bud Industries' ANS series enclosures meet NEMA 4X and IP65 requirements and are made from rugged, #ADC-12 die-cast. The ANS Series NEMA die-cast aluminum box features EMI/RFI shielding. The rugged enclosure is designed for applications requiring EMI and RFI shielding, as well as protection from water, oil, dust and other contaminants. Captive cover assembly screws (M4) are locStay on top of your Business Credit File Get full access to view your D&B business credit file now for just \$39/month!
