

[illegible]

Key distribution box manufacturers serving the ASEAN region include GEYA and OOHMAGE, offering high-quality, certified electrical distribution solutions for residential, commercial, and industrial applications.

GEYA specializes in distribution boxes, miniature circuit breakers, DC surge protectors, and smart electricity meters. Their products are designed for residential solar power systems and optical energy storage systems, with IP65 protection and compliance with international standards such as UL, CSA, TUV, and CE. GEYA emphasizes customization, safety, and durability, using flame-retardant, impact-resistant ABS materials. They provide in-house testing facilities and expert guidance to select the right distribution box type based on client requirements, making them a reliable choice for ASEAN markets .

OOHMAGE is a leading Chinese manufacturer of electrical distribution boxes, known for precision engineering and high-quality DC components. Their distribution boxes are suitable for residential, commercial, and industrial systems, offering efficient power management, safety against short circuits, and long-term reliability. OOHMAGE provides OEM support and customization options, ensuring that products meet specific operational and safety requirements. Their focus on robust design and oper...
