

# Albanian complete power distribution box manufacturer

## Article Overview

Key Albanian manufacturers of power distribution boxes include EnBi Power L.t.d, ITE, Elteknik sh.p.k., Sali Elektrik, and Albaelettrica.

### Leading Manufacturers and Suppliers

- EnBi Power L.t.d: Specializes in the design, installation, and commissioning of electricity generation and distribution facilities, including substations and transmission lines, making it a major player in Albania's electrical supply sector .
- ITE: A certified panel builder and distributor offering design and installation of power distribution systems for industrial and commercial applications, collaborating with leading manufacturers to ensure high-quality solutions .
- Elteknik sh.p.k.: ISO 9001:2008 certified, providing electrical engineering services, including power distribution systems and installations, with a focus on advanced technologies and high-quality project execution .
- Sali Elektrik: Experienced in custom electrical panels, industrial automation, and low to medium voltage supplies. The company has 28 years of experience and offers comprehensive services including home automation, cabling, and networking .
- Albaelettrica: Primarily a distributor, Albaelettrica also partners with international brands like ABB to supply DIN rail and wiring accessories, supporting professional applications and power distribution solutions in Albania and Kosovo .
