

# Benin optical fiber cable manufacturer

## Article Overview

Benin hosts several fiber optic and cable solution providers, including Fibrain, Tratos, and local companies like Senande Dahomey Systems, offering both manufacturing and deployment services.

### Key Manufacturers and Providers

Fibrain is an international fiber optic solutions provider that has supplied comprehensive passive structured networks for data centers in Benin. Their offerings include pre-connectorized fiber cables, copper and fiber transmission links, distribution cabinets, and patch panels. Fibrain solutions are designed for modularity, scalability, and high operability, and installations in Benin have included extended warranties and certified partner support for local contractors .

Tratos is a global cable manufacturer specializing in electrical, electronic, and fiber optic cables. They provide bespoke solutions and high-standard manufacturing for international markets, including Africa, and their products are suitable for telecom, industrial, and data transmission applications .

Senande Dahomey Systems is a Beninese-owned company that builds, owns, and operates telecommunications infrastructure. They have deployed fiber optic networks, rural towers, and energy systems to support telecom operators and government initiatives, emphasizing sustainability and network resilience .

Local Distributors and Importers include companies like Fila Courtage International Benin and ANGY INV.SARL, which handle sourcing, import, and distribution of fiber o...
