

Canada Explosion-proof Vertical Distribution Box Manufacturer

Article Overview

Key Canadian suppliers of explosion-proof vertical distribution boxes include Lord Electrical, EXM Manufacturing, Ex Solutions, Killark, and ABB Electrification Canada.

Lord Electrical

Located in Calgary and serving multiple provinces including Alberta, British Columbia, Saskatchewan, Ontario, Newfoundland, and New Brunswick, Lord Electrical specializes in explosion-proof enclosures, equipment, and control gear suitable for hazardous environments . They offer a range of industrial-grade vertical distribution boxes designed for safety and compliance in explosive atmospheres.

EXM Manufacturing

EXM Manufacturing provides highly customizable enclosures, including vertical distribution boxes, with options for material, dimensions, NEMA ratings, and internal configurations . Their products are designed for rugged industrial applications, featuring stainless steel construction, seamless gaskets, and secure locking mechanisms. EXM also offers CAD-based customization tools to tailor enclosures to specific project requirements.
