

Canada Huijue Communications Fiber Optic Cable

Article Overview

Canada Huijue Communications provides a range of fiber optic cables and network connectivity solutions, distributed internationally including in Canada.

Company Overview

Huijue Network Communication Equipment, based in China, specializes in fiber optic equipment and network communication solutions. Their product portfolio includes fiber optic patch cords, connectors, splitters, adapters, and various types of optical fiber cables such as indoor, outdoor, single-mode, and multi-mode fibers . Founded in 2002, Huijue Network integrates intelligent network communication equipment with system integration services, exporting products to Europe, North America, and Southeast Asia .

Products and Fiber Optic Solutions

Huijue offers a wide range of fiber optic products suitable for telecommunications, data centers, and industrial networks. Key offerings include:

- Fiber optic patch cords (LC/UPC, SC/UPC, waterproof variants)
- Optical splitters and couplers (PLC, fused taper, planar waveguide)
- Fiber optic adapters and flanges
- Indoor and outdoor optical fiber cables (G.652, G.657a2, single-mode, multi-mode)
- Specialty cables for flexible, butterfly, and remote applications These products ar...
