

Costa Rica Vibration Optical Cable Wholesale Price List

Article Overview

Wholesale prices for vibration optical cables in Costa Rica are generally available through registered distributors, with Tectel, Teltron, IMS, and ProtelCR being key suppliers.

Local Distributors

- Tectel Costa Rica Tectel specializes in structured cabling and fiber optic solutions. To access wholesale prices, you must register for an account on their website. They offer a range of optical cables suitable for industrial and vibration-sensitive applications, but pricing is only visible to registered business customers .
- Teltron Costa Rica Teltron provides fiber optic cables with occasional bulk discounts up to 25%, though stock may be limited. Availability varies, and some items may be out of stock, so contacting them directly is recommended for current pricing and bulk orders .
- IMS Mayorista Eléctrico IMS offers a wide selection of electrical and fiber optic cables, including options for industrial projects. They provide national delivery and custom cable cutting, which is useful for large-scale installations. Pricing is competitive, but you may need to request a quote for vibration-specific optical cables .
- ProtelCR ProtelCR has over 23 years of experience in electrical materials and structured cabling. They provide technical advice and can prepare custom quotations via WhatsApp or phone, making them a practical option for bulk purchases .
