

Czech molded cable tray price

Article Overview

Molded cable trays in the Czech Republic typically cost between \$2 and \$25 per meter, depending on material, type, and finish.

Price Overview

The cost of a molded cable tray varies significantly based on material, size, and surface treatment. Common materials include:

- Plastic/Polymer trays: Budget-friendly, usually at the lower end of the range (\$2-\$10 per meter), suitable for light loads and indoor use .
- Galvanized steel trays: Most common, balancing durability and cost, typically \$10-\$30 per meter .
- Aluminum trays: Lightweight and corrosion-resistant, generally \$20-\$50 per meter .
- Stainless steel trays: High-end, used in corrosive or hygienic environments, costing more than aluminum . Coatings and finishes also affect pricing. Pre-galvanized steel is cheaper but less durable outdoors, while hot-dip galvanized (HDG) or powder-coated trays offer better corrosion resistance at a higher cost .

Local Suppliers in the Czech Republic

Several suppliers and manufacturers operate locally:

- ARKYS: The largest manufacturer of wire mesh cable trays in the Czech Republic, offering a range of durable options .
- Jeetmull Jaichandlall and other suppliers: Provide competitive pricing and export o...
