

Distribution boxes are available in stock

Article Overview

You can purchase a wide range of distribution boxes in stock from UK suppliers like Onit Direct, Totebox, and Rapid Racking, offering fast delivery and various sizes for industrial, retail, and warehouse use.

Suppliers and Options

Onit Direct offers a robust selection of distribution boxes suitable for multiple industries, including food, retail, and agriculture. Their lid-tote distribution boxes provide security with attached lids and optional security seals, while bale arm boxes are stackable and nestable, ideal for efficient storage and transport. Sizes start from 15 litres, with various colours for easy identification and segregation . Totebox is the UK's largest stockholder of plastic storage solutions, including distribution crates, bulk boxes, pallets, and euro containers. They provide next-day delivery nationwide, no minimum orders, and same-day collection from their Northampton warehouse. Their containers are designed for durability, hygiene, and efficiency, supporting industries such as logistics, food production, healthcare, and retail . Rapid Racking supplies distribution container bins in a variety of sizes and colours, suitable for transporting stock, waste, or recycling. They also offer plastic and metal drums for liquids and pallet boxes for bulk storage. Their products are designed for warehouse and retail environments, with fast delivery options .

Key Features to Consider

- Material: Plastic, metal, or recycled options depending on durability and hygiene requirements....
