

Dual-circuit integrated distribution box

Overview

It combines a high-integrity dual RCD layout with a factory-fitted Type 2 SPD 40 kA, which is correctly protected by a pre-fitted B32 MCB. This board provides robust circuit balancing, prevents total power loss from a single fault, and protects the entire installation from damaging. PREMIUM CONSTRUCTION POWER DISTRIBUTION BOX: Crafted by WESTERN, the 6506TLSX Temp power box features a durable blend material for long-lasting performance in demanding environments. Need help?

Browse power distribution boxes with circuit breaker protection and multiple outlet configurations. ● Incomer: 100A DP main switch. Today, electrical systems are essential for homes and industries. SMART DISTRIBUTION BOXES FOR FLEXIBLE BUILDINGS. ABB offers a total ev charging solution from compact, high quality AC wall boxes, reliable DC fast charging stations with robust connectivity, to innovative on-demand electric bus charging systems, we deploy infrastructure that meet the needs of the next generation of smarter mobility.
