

Estonian Optical Cable Junction Box Manufacturer

Article Overview

Key manufacturers of optical cable joint boxes in Estonia include Hexatronic Tallinn, Nestor Cables (Keila plant), and ORIENT TECHNOGROUP (ORTG).

Hexatronic Tallinn

Hexatronic operates a large fiber optic termination facility in Tallinn, recognized as the largest in the Baltic and Scandinavian regions . The 700 m² facility produces a wide range of fiber optic components, including termination boxes and assemblies, with high-quality standards ensured through ISO 9001, 14001, and 45001 certifications . Hexatronic serves telecom operators, network owners, installers, and military clients across Estonia, Latvia, Lithuania, and Scandinavia, offering both production and field support through their Tallinn shop .

Nestor Cables (Keila Plant)

Nestor Cables, a Finnish company, manufactures installation accessories for fiber optic cables at its Estonian plant in Keila, including joint closures, splice trays, and termination boxes . Their products support fast and reliable network connections and are used by telecom operators, contractors, wholesalers, and public sector clients. Nestor emphasizes high-quality production, sustainability, and long-term partnerships .
