

Grenada Cable Tray Elbow Customization Price

Article Overview

Customized cable tray elbows typically range from \$1.3 per piece for standard bulk orders to higher prices depending on material, size, and customization options.

Price Overview

Standard cable tray elbows, such as galvanized or stainless steel, can cost around \$1.3 per piece when purchased in bulk . Prices increase for customized specifications, including non-standard sizes, materials like aluminum, SS304, SS316, or special coatings such as epoxy, powder coating, or hot-dip galvanizing . Customization also includes 90-degree horizontal elbows, bends, tees, and risers, tailored to project requirements .

Factors Affecting Cost

- **Material:** Galvanized steel is generally the most affordable, while stainless steel and aluminum are more expensive due to corrosion resistance and durability .
- **Size and Thickness:** Larger or thicker elbows require more material, increasing cost. Common sizes range from 25mm to 200mm, with non-standard sizes available on request .
- **Surface Treatment:** Options like hot-dip galvanizing, powder coating, or epoxy coating add to the price but improve longevity and corrosion resistance .
- **Order Quantity:** Bulk orders reduce per-unit cost, while small or one-off custom orders are more expensive....
