

High-quality Ethiopian cable trays

Article Overview

Ethiopia offers a range of high-quality cable trays, including ladder, perforated, mesh, and unperforated types, with customizable coatings and sizes for industrial and commercial applications.

Leading Suppliers in Ethiopia

NAHMA Precision Metal Products in Addis Ababa manufactures high-quality cable trays, including ladder and perforated types, along with accessories for electrical and industrial applications. They provide custom solutions tailored to project requirements, ensuring durability and compliance with professional standards . ECTRAY Solutions offers cable trays and ladders with thicknesses ranging from 2mm to 6mm. Their products come in pre-galvanized, hot-dipped galvanized, and painted coatings, providing strong protection against corrosion and external factors. ECTRAY also supports project planning and virtual prototyping to reduce design errors and installation costs . Vashi Integrated Solutions supplies a wide variety of cable trays suitable for industrial, commercial, and infrastructure projects. Their offerings include:

- Perforated Cable Trays for light-duty wiring with enhanced ventilation
 - Ladder Cable Trays for heavy-duty power cables
 - Unperforated Cable Trays for dusty or corrosive environments
 - Mesh Cable Trays for flexible and fast-changing installations
- They also provide supports, accessories, and custom coatings to meet specific project needs . Altawakol NTT provides cable trays, ladders, trunks, and underfloor trunking with high-quality finishes and international standard compliance. Their products feature thicknesses f...
