

How much does a Somali cable tray cost

Article Overview

Cable tray prices in Somalia vary by type, material, and supplier, with options available from verified local and international vendors.

Price Overview

Cable trays in Somalia are available through both local suppliers and international importers. Prices depend on material, size, and type:

- MS (Mild Steel) Cable Trays: Standard thickness ranges from 2–5 mm, widths from 50–400 mm, with GI galvanized surface finish and aluminum conductors. These are commonly used for insulated cable distribution and are considered affordable for industrial applications (Grating Manufacturers) .
- Perforated or Ladder Cable Trays: Prices vary based on material. For example, a 4-inch perforated tray may cost around ₹100 per piece, while a 45mm x 45mm FRP PVC tray may be around ₹45 per meter. Metal trays of the same size will have different pricing due to material and load rating differences (Accio) .
- Explosion-Proof Cable Trays: Specialized trays for hazardous environments are available from verified Somali suppliers, with bulk pricing negotiable depending on order volume (Go4WorldBusiness) .

Market Access and Verification

The Somalia Price Index (SPI) provides daily verified retail and wholesale prices across multiple districts, allowing buyers to compare vendors, track 90-day price history, and find discounts from trusted local businesses. This platform ensures that...
