

How much does a standard electrical distribution box cost in the Dominican Republic

Article Overview

Electrical distribution boxes in the Dominican Republic are available from multiple suppliers, with prices varying by model, capacity, and material, typically ranging from \$50 to \$200 USD per unit for standard DIN rail or terminal block boxes.

Supplier Options

- Volza Supplier Database The Dominican Republic has 26 active suppliers of electric breaker and distribution boxes, including brands like Cutler Hammer Industrial Ltd. These suppliers offer assembled circuit breaker boxes in various quantities, suitable for industrial and commercial applications, and can ship locally or internationally .
- Desertcart Product Listings For example, the UKK-125A DIN Rail Junction Box is a high-quality terminal block distribution box with a rated current of 125A, copper terminals, and flame-retardant nylon brackets. It is designed for power distribution cabinets and high-voltage applications. Prices on Desertcart include taxes and fees, and the product is shipped to the Dominican Republic .
- Local Distributors
- JJ Electric S.A. offers a wide range of electrical materials and distribution boxes, with delivery across the Dominican Republic in less than 48 hours. They provide tailored quotes based on product specifications, quantities, and project requirements .
- Other Santo Domingo suppliers such as Empresarial Calderón and companies listed in the Dominican Republic electrical products directory provide industrial and residential electrical materials, including modular distribution boxes, breakers, and j...
