

How to teleport in Sky Children of the Light after disconnecting from the internet and reconnecting

Article Overview

You can teleport offline in Sky: Children of the Light using the camera trick with the Shared Memory spell or by using shortcuts in the Vault of Knowledge.

Using the Camera Trick

Even without an internet connection, you can teleport by combining the Shared Memory spell with the camera. This method allows you to move quickly between locations you have previously visited. To perform this trick:

- Equip the Shared Memory spell.
- Use the camera to target a location or object you want to teleport to.
- Activate the spell while aiming with the camera to instantly move to that spot. This trick works in offline mode because it relies on your local game state rather than online events or seasonal portals .

Vault of Knowledge Shortcuts

Another offline method is using teleport shortcuts in the Vault of Knowledge:

- Enter the Vault of Knowledge from your Home space.
- Locate the hidden room or passage (often through a hole in the wall near the entr...
