

Huijue Busbar Cable Tray Brand

Article Overview

Huijue is a Chinese manufacturer specializing in busbar cable trays, bus ducts, and related electrical infrastructure products.

Company Overview

Huijue, formally known as Shanghai Huijue Technologies Group Co., Ltd., is based in Shanghai, China, and has been active in the energy storage and power supply sector for several years, employing over 500 staff . The company focuses on home energy storage systems, telecom power supply, and industrial busbar solutions, providing customized solutions to meet local and international standards . Their engineering team offers technical support and product modifications tailored to project requirements.

Product Range

Huijue produces a variety of busbar cable trays and bus ducts, which are structural systems designed to support and organize electrical cables in industrial, commercial, and infrastructure settings . Their offerings include:

- Ladder-type cable trays: Heavy-duty trays suitable for high-load applications in industries like oil, gas, and renewable energy .
- Tray-type and groove-type trays: For general cable management and flexible routing.
- Combination and large-span trays: Designed for complex installations requiring extended support....
