

Huijue Communication Fiber Optic Communication Technology

Article Overview

Huijue Technology specializes in advanced fiber optic communication solutions, including integrated cabinets, FTTX systems, and precision optical components for telecom operators worldwide.

Company Overview

Huijue Technology, also known as Shanghai Huijue Network Communication Equipment Co., Ltd., is a leading manufacturer and solution provider in the fiber optic and telecom equipment sector. Established in 2000-2002, the company integrates R&D, production, and sales under one roof, with headquarters and R&D centers in Shanghai and Jiangsu Haian, covering over 100,000 square meters and employing more than 1,000 professionals . Huijue has been recognized as a High-Tech Enterprise and awarded for innovation in private enterprise technology .

Fiber Optic Communication Products

Huijue offers a wide range of fiber optic communication products designed for both indoor and outdoor applications:

- Integrated Outdoor Cabinets: Modular cabinets for telecom and energy storage, combining optical, power, and environmental control systems .
- Fiber Optic Distribution Frames (ODF): For efficient fiber management and cross-connection in FTTX networks
