

Hungarian cable tray support

Article Overview

Cable tray supports in Hungary are widely available through local distributors and European suppliers, offering modular, corrosion-resistant, and technically supported solutions for industrial and commercial installations.

Local Suppliers and Distributors

- Emtron KFT: Offers comprehensive cable tray systems and electrical appliances in Hungary, with sales and technical support in Hungarian, Korean, and English. They distribute BAKS trays and provide guidance for installation and system selection (Emtron KFT) .
- BázelKábel Ltd.: Provides modular cable tray and ladder systems suitable for industrial and commercial environments. Their products are designed for quick installation, long-term reliability, and organized cable management (BázelKábel Ltd.) .

European Suppliers with Hungarian Access

- DKC Europe: A European leader in cable tray systems, offering solutions for energy protection, transport, and distribution in civil and industrial infrastructures. They provide a wide range of support accessories and technical documentation (DKC Europe) .
- Basor Electric: Supplies cable trays with detailed technical data sheets, assembly instructions, BIM 3D models, CAD drawings, and software tools for dimensioning and calculating cable tray requirements. Their digital resources allow precise planning and integration into engineering projects (Basor Electric)
