

Indonesia Smart Distribution Box Supplier

Article Overview

Indonesia offers a range of smart distribution box suppliers providing advanced electrical solutions with remote monitoring and energy management capabilities.

Key Suppliers and Platforms

- **Microthings Indonesia** Microthings provides smart power distribution boxes designed for industrial automation. Their products feature IP55-rated enclosures for outdoor use, LED indicators, door status detection, remote alarm triggers, and a 7-inch touch screen for monitoring voltage, current, and alarms. They support remote control, networked device management, and operational analytics, making them suitable for modern smart electrical systems in industrial and commercial settings (microthings.id) .
- **Indotrading.com** Indotrading is a B2B marketplace listing multiple suppliers of panels, distribution boxes, and supporting components in Indonesia. Companies like PT. Wijaya Indotech Protection and CV. Armoyo Kreasi Mandiri offer products ranging from lightning protection systems to general electrical distribution solutions. The platform allows direct contact with suppliers for competitive pricing and customization options (indotrading.com) .
- **PADI Electric (PT Perkasa Adi Daya Indonesia)** PADI Electric manufactures and distributes high-quality electrical products, including junction boxes, panel boxes, and cable trays. They provide custom fabrication in steel, stainless steel, aluminum, and PVC, catering to both local and international standards. Their offerings include thermoplastic and metal panel boxes suitable for smart electrical installations (padi-electric.com)
