

Iraqi network cabinet manufacturers

Article Overview

Key network cabinet suppliers in Iraq include AL-NABAA, Smart Tech Iraq, GETX, and ALMJMUAH CO., offering a range of cabinets and network infrastructure solutions.

AL-NABAA

AL-NABAA provides high-quality network cabinets designed specifically for the Iraqi climate, suitable for both indoor and outdoor environments. They offer a variety of sizes, from 4-unit to 42-unit cabinets, along with essential accessories such as PDU shelves, fans, and patch panels. Their products are compatible with structured cabling systems including Cat-5e, Cat-6, Cat-6a, and Cat-7 Ethernet cables, as well as single and multi-mode fiber optic cables with 2 to 48 cores .

Smart Tech Iraq

Smart Tech Iraq is a value-added distributor specializing in network infrastructure and industrial-grade fiber-optic communications. They provide cabinets, structured cabling, and fiber optic hardware tailored to both private and public-sector clients. Their services include consultation, installation support, and collaboration with system integrators and resellers. Smart Tech Iraq leverages its parent company, Smart Tech Global, to offer durable and professional solutions for large-scale projects across Iraq .

GETX

GETX offers network cabinets for servers at competitive prices in Iraq. They provide...
