

Ireland manufacturers of fiber optic connectors

Article Overview

Key manufacturers and suppliers of fiber optic connectors in Ireland include Avena, Alltec Fibre Optic, and major distributors like Farnell and Mouser.

Irish Manufacturers

Avena is a prominent Irish company that manufactures and supplies a wide range of fiber optic connectors, including single-mode, multi-mode, hybrid electro-optic, and hermaphroditic connectors for harsh environments. They also provide terminated cables, cable assemblies, and custom solutions up to 24 channels, catering to both industrial and telecommunications applications . Alltec Fibre Optic Ireland specializes in fiber optic network solutions, offering installation, cabling, and testing services. They are recognized for professional-grade fiber optic products and network infrastructure support . Crescent Infrastructure focuses on structured cabling solutions, including fiber optic installations, supporting high-density data center applications with compliance to CPR and industry standards . Entegro provides expertise in optical fiber technologies, including splicing, testing, and gigabit network deployment, serving both urban and rural areas in Ireland .

Authorized Distributors

For sourcing fiber optic connectors from global manufacturers, Farnell Ireland and Mouser Electronics Ireland are key distributors. They stock connectors from top international brands such as Molex, TE Connectivity, Amphenol, Broadcom, Glenair,...
