

Jordan Explosion-proof Distribution Box Installation Company

Overview

Jordan Engineering Systems (JES) is an engineering-based organization specialized in offering turnkey low current systems with an in-house system-engineering department, installation teams & maintenance facilities. Davos for Electrical Systems & Supplies was formed with a passion for providing top-quality electrical products at competitive prices to our clients. With over 6 years of experience, we have become a most sought-after specialist for electrical products. Security Systems refers to many systems, including CCTV, Alarm Systems, Access. Supermec ATEX Junction Box & Enclosures are designed to satisfy most of our clients' requirements for CONTROL explosion-proof and flameproof enclosures. All explosion-proof enclosures, lighting or power distribution boxes are manufactured using the latest technologies, both mechanical and. MOJAB was founded as an engineering and projects execution company in 2004 in Amman, Jordan.
