

Kuwait Spectrometer Price Inquiry

Article Overview

The average import price of spectrometers in Kuwait is around \$13,000 per unit, with local suppliers offering competitive rates depending on specifications and type.

Average Market Prices

In 2023, the average import price for spectrometers and spectrophotometers in Kuwait was approximately \$13,000 per unit, showing a moderate increase over the past decade at an annual growth rate of about 3.2% . Prices vary significantly depending on the country of origin, with Singaporean units reaching up to \$143,000 per unit, while Indian models can be as low as \$1,500 per unit . Export prices from Kuwait averaged around \$4,400 per unit in 2023 .

Local Suppliers and Manufacturers

Several reputable suppliers and manufacturers operate in Kuwait, offering a range of spectrometers and spectrophotometers:

- **Laboid International:** Established in 2018, Laboid provides precision laboratory instruments including spectrophotometers and spectrometers. Their products are known for durability, user-friendly interfaces, and competitive pricing, suitable for research, industrial, and clinical applications . They also offer export services and prompt delivery within Kuwait .
- **Aditya Systems:** Recognized as a trusted spectrometer manufacturer in Kuwait, Aditya Systems offers customizable units with high-grade materials and advanced technology, ensuring reliability and hassle-free operation
