

Ladder-type European-style cable trays are in stock

Article Overview

European-style cable ladder trays are available in stock from multiple suppliers, ready for immediate delivery.

Suppliers and Stock Information

- Eurostrut offers a wide range of cable trays, cable ladders, and accessories suitable for industrial, marine, and offshore applications. Their products are available for fast delivery directly from stock via their webshop, ensuring compliance with safety and durability standards .
- Ekabel24 provides high-quality cable trays and ladders in hot-dip galvanized steel, stainless steel, and halogen-free plastic. Their systems meet DIN EN 61537 and international standards, suitable for indoor and outdoor installations .
- Trayco specializes in Belgian-manufactured cable trays, mesh trays, and ladders, offering both standard and customized solutions. They provide technical guidance and support for installation .
- Femicz supplies metallic ladder tray systems in welded, clinched, or bolted versions, including hot-dip galvanized and AISI 304 stainless steel finishes. Standard models like HP 2.22 are available from stock and ready for delivery, with high load capacity and flexible installation options .
- Emit Metal and other European manufacturers listed on Europages offer a variety of metal cable trays and ladders, with production capacities suitable for large-scale projects
