

Malaysia Cable Management Rack Brand

Article Overview

Leading cable management rack manufacturers in Malaysia include SAN Engineering, IEP Sdn. Bhd., Array Metal, and Sun Energy System Sdn Bhd., offering cable trays, ladders, trunking, and customized solutions.

Key Manufacturers and Suppliers

1. SAN Engineering and Electrical Support Based in Malaysia, SAN Engineering specializes in metal fabrication and cable support systems, including galvanized cable ladders, cable trunking, server rack cable management, and Unistruct channels. They emphasize high-quality materials, precision manufacturing, and tailored solutions for industrial and commercial projects, ensuring durability and reliability for complex installations . 2. IEP Sdn. Bhd. IEP is a leading supplier and distributor of cable management systems in Malaysia. Their offerings include cable ladder systems, cable tray systems, firestop systems, conduits, cable cleats, and grounding systems. IEP products are designed for ease of installation, adjustable bends, and quick-fit couplers, making them suitable for both industrial and commercial wiring projects . 3. Array Metal Sdn Bhd Array Metal manufactures and supplies a wide range of cable trays, ladders, trunking, and wire trays. Headquartered in Shah Alam, Selangor, they serve both local and international markets, providing reliable support and timely delivery for cable infrastructure projects . 4. Sun Energy System Sdn Bhd (UMI Cable Support Solution) Sun Energy System produces metal cable ladders, trays, and trunking with high standards for safety, corrosion resistance, and operational efficiency. Their products are suitable for heavy-duty applications and can be customized for various cable types, including power, data, and communication cables. They comply with NEMA and CSA standards and are dist...
