

Manufacturer of Aerial Optical Cable Fixing Accessories

Article Overview

Leading manufacturers of aerial optical cable accessories include AFL, ZMS Cable, HTL Ltd., and Panduit, offering a wide range of ADSS, OPGW, and supporting hardware.

Key Manufacturers and Offerings

AFL is a global leader in fiber optic solutions, providing a full portfolio of aerial fiber optic cables including ADSS, OPGW, SkyWrap, and MASS cables, along with supporting hardware and compression accessories designed for demanding transmission and distribution environments . Their products are widely used in both telecommunications and power utility networks. ZMS Cable specializes in high-end aerial optical cables and accessories, including ADSS and OPGW fittings. Their product line includes tension clamps, dead-end clamps, preformed suspension hardware, and bird flight diverters, suitable for high-voltage lines, long spans, and challenging environmental conditions . ZMS Cable distributes globally and focuses on durable, lightweight, and efficient designs. HTL Ltd. offers a complete range of aerial cable accessories for suspension and termination assemblies. Their products include helically formed suspension fittings with elastomer pads, galvanized steel eye-bands, and termination fittings for dead-end or angle poles, ensuring secure installation and alignment of aerial fiber optic cables . Panduit provides a broad portfolio of fiber optic systems and accessories, including cable assemblies, enclosures, splice closures, and distribution hardware for aerial and underground applications. Their solutions are designed for high performance, reliability, and scalability in outside plant networks
