

Manufacturers of fiber optic connectors used in Africa

Article Overview

Key manufacturers and suppliers of fiber optic connectors in Africa include Robustec Trading, HellermannTyton, Leader Optec, and distributors like Mouser Electronics offering global brands.

Local Manufacturers and Suppliers

Robustec Trading (South Africa) specializes in the local manufacture, testing, and supply of high-performance fiber optic components for telecoms, enterprise networks, industrial sites, and government infrastructure. They provide single-mode and multimode patch cords with connectors such as SC, LC, FC, ST, and MPO. Robustec also offers fusion-ready pigtails, splice protection sleeves, ruggedized drop cable assemblies, and custom-length or armored assemblies, all tested for insertion and return loss to ensure signal reliability . HellermannTyton (South Africa) manufactures a full range of fiber solutions including patch panels, patch leads, connectors, and adaptors. Their products cover single-mode OS1/OS2 and multimode OM3/OM4 fibers, with connector options like LC, SC, and high-density MTP. They also provide fan-out cables and MTP back-bone cables for high-density installations, ensuring precise optical alignment and low-loss connections . Leader Optec (South Africa) offers a variety of fiber optic products and emphasizes quality and customer experience, providing connectors suitable for commercial and industrial applications .
