

Manufacturers specializing in custom-made explosion-proof distribution boxes

Article Overview

Leading manufacturers like Atex Delvalle, Warom Technology, CZ Electric, and Hexlonex offer custom explosion-proof distribution boxes with ATEX and IECEx certifications for hazardous environments.

Key Manufacturers and Offerings

Atex Delvalle specializes in custom-made explosion-protected local control stations and distribution boxes. Their products are available in stainless steel AISI 304L or 316L, designed for extreme temperatures and outdoor conditions. They offer fully configurable control units, motor starters, switches, and grounding devices, ensuring compliance with ATEX and IECEx standards . Warom Technology provides high-performance explosion-proof distribution boxes for industrial automation and electrical control systems. Their solutions are tailored for secure and reliable operation in demanding environments, with options for custom configurations to meet specific project requirements . CZ Electric Co., Ltd manufactures the CZ1290 series of explosion-proof distribution boxes, featuring modular designs, easy operation with panel windows, and pre-wired internal connections. Their products are widely used in petrochemicals, medical machinery, food processing, aerospace, and military applications, and are exported to over 50 countries . Hexlonex offers durable explosion-proof distribution boxes and electrical enclosures certified for Zone 1 and Zone 2 hazardous areas, ensuring compliance with international safety standards and suitability for industrial installations
