

Mexico seeks to purchase fiber optic cables at low prices

Article Overview

Mexico offers a wide range of fiber optic cables at competitive prices through numerous manufacturers and distributors, making it a cost-effective sourcing option.

Overview of Suppliers

Mexico has a robust network of fiber optic cable suppliers, with over 800 verified manufacturers and exporters active in the market, serving both domestic and international buyers . Key suppliers include FibraMarket, Fibranet, and Fibralink, which provide a variety of products such as monomode and multimode cables, connectors, and fusion splicers . These companies emphasize competitive pricing, high-quality standards, and tailored solutions for different network needs .

Product Range and Applications

Mexican suppliers offer fiber optic cables suitable for multiple applications:

- FTTH (Fiber to the Home) networks, using compact drop cables for urban and residential installations .
- Long-distance aerial installations, including ADSS (All-Dielectric Self-Supporting) cables for spans up to 150 meters .
- Enterprise and business networks, with dedicated fiber solutions for high-speed connectivity and minimal downtime . Cables are available in various configurations, including single-core, multi-core, and high-capacity 48-core cables, with diameters r...
