

Norwegian Cable Tray Factory Source of the Factory

Article Overview

Oglaend System and BVS are leading Norwegian manufacturers of cable trays, serving global markets including offshore, oil & gas, and renewable energy sectors.

Oglaend System

Founded in 1977 in Sandnes, Norway, Oglaend System is a major producer of multidiscipline support systems, including cable trays and cable ladders. Its main production plant is located in Kleppe, 30 km south of Stavanger, Norway, where steel cable trays and ladders are manufactured. The company serves industries such as oil & gas, shipbuilding, wind energy, infrastructure, and marine farming. Oglaend System is part of the Hilti Group, ensuring high-quality standards and global distribution. Their MultiGrid® installation concept reduces project costs by optimizing weight, installation time, and coordination.

BVS

BVS is another Norwegian-based manufacturer specializing in cable management systems for offshore and arctic environments. Their products include cable trays, ladders, struts, trefoil cleats, and earthing bars, all made from AISI 316L stainless steel for durability in extreme conditions. BVS focuses on offshore projects, including Arctic and Caspian Sea developments, and emphasizes R&D to improve functionality and meet customer-specific requirements....
