

# Outdoor power distribution box housing manufacturer

## Article Overview

Leading manufacturers of outdoor power distribution boxes include J&HW Group, DOHO Electric, SELHOT, and Weisho Electric, offering weatherproof, customizable, and durable enclosures for industrial and utility applications.

### Key Manufacturers and Offerings

J&HW Group specializes in IP65-rated outdoor power distribution boxes designed for harsh environments such as construction sites, renewable energy projects, and shipyards. Their enclosures feature corrosion-resistant materials, integrated circuit breakers, leakage protection, and options in sheet metal or fiberglass for durability and flexibility in design . DOHO Electric provides a wide range of weatherproof electrical enclosures with custom design, fabrication, and installation services. Their NEMA-rated outdoor boxes are engineered to protect electrical systems from environmental hazards while maintaining optimal operating temperatures. DOHO offers in-house production, ensuring high-quality standards and responsive customer support . SELHOT manufactures plastic power distribution boxes using impact-resistant and oxidation-resistant PC/ABS materials. Their enclosures are IP65/IP66 rated, suitable for solar energy systems, outdoor lighting, agricultural irrigation, and marine applications. SELHOT offers extensive customization, including flame retardancy, UV protection, corrosion resistance, and tailored wiring configurations . Weisho Electric produces cable distribution boxes for medium voltage outdoor and underground networks. Their units are fully sealed, weatherproof, and customizable for voltage ratings, connector types, and enclosure materials. Weisho Electric also p...
