

Papua New Guinea Huijue Core Switch Manufacturer

Article Overview

Huijue manufactures advanced core network switches and integrated telecom equipment, with potential distribution in Papua New Guinea through local partners like Powa Industries and Hardware Haus.

Huijue Core Switches and Network Equipment

Huijue is a high-tech manufacturer of intelligent network communication equipment, including core switches, server cabinets, and integrated telecom solutions. Their products are designed for data centers, mobile base stations, and enterprise networks, offering features such as power distribution, backup systems, and monitoring capabilities . The company operates multiple production bases in China, with a strong R&D team and a monthly output of up to 2,000 telecom cabinets, ensuring reliable supply for large-scale projects . Huijue also provides customized OEM/ODM solutions for network infrastructure .

Local Sourcing in Papua New Guinea

For procurement in Papua New Guinea, Huijue products can be accessed through authorized distributors and retailers:

- Powa Industries Limited: A PNG-registered company based in Port Moresby, specializing in wholesale and retail distribution of electrical and network equipment. They import high-quality products from reputable overseas suppliers and ensure co...
