

Price Inquiry for New Type Distribution Boxes

Article Overview

Distribution box prices vary widely depending on type, capacity, features, and customization, ranging from affordable residential units to high-end industrial enclosures.

Price Ranges

- Residential Distribution Boxes: Basic single-phase units typically start at \$50-\$200, while more advanced three-phase systems for larger homes or small commercial setups can range from \$200-\$600 depending on amperage and circuit capacity .
- Commercial and Industrial Units: Larger, heavy-duty boxes with higher amperage, modular designs, and smart monitoring features can cost \$500-\$2,500 or more per unit .
- Wholesale and OEM Options: Factory-direct or bulk orders can reduce per-unit costs significantly. Customizations such as busbar modifications, IP-rated enclosures, or branding may affect pricing .

Factors Affecting Cost

- Material and Construction: Corrosion-resistant metals, high-grade plastics, and weatherproof casings increase durability and price .
- Capacity and Specifications: Voltage rating, number of circuits, and amperage directly influence cost .
- Advanced Features: Smart monitoring, surge protection, arc fault detection, and energy management systems add to the price but improve long-term efficiency and...
