

Price of Armored Optical Cable Splicing Pigtail

Article Overview

Armored fiber optic splicing pigtails typically range from \$5 to \$20 per unit, depending on fiber type, connector, and length.

Pricing Overview

The cost of armored optical cable splicing pigtails varies based on several factors:

- **Fiber Type:** Single-mode (9/125 μm) pigtails are generally less expensive than multimode (50/125 μm OM3/OM4/OM5) pigtails due to manufacturing differences and performance specifications .
- **Connector Type:** LC, SC, ST, or FC connectors influence price, with LC and SC being the most common and cost-effective .
- **Cable Length and Jacket:** Standard lengths (1–3 meters) are cheaper, while custom lengths or reinforced armored jackets increase cost .
- **Quantity and Supplier:** Bulk orders often reduce per-unit cost. Suppliers like FS, Leviton, Fibertronics, and Starry Networks offer competitive pricing and same-day shipping options .

Typical Price Range

- **Economy armored pigtails:** \$5–\$10 per unit for standard single-mode or multimode pigtails with basic connectors .
- **Premium armored pigtails:** \$12–\$20 per unit for high-performance fibers, custom l...
