

Price of main distribution boxes from manufacturers in Vietnam

Article Overview

Standard distribution boxes from Vietnam typically range from \$15 to \$150 per unit, depending on size, material, and protection rating.

Price Overview

The cost of distribution boxes in Vietnam varies based on several factors:

- **Size and Capacity:** Smaller wall-mount boxes (e.g., 250 x 300 x 150 mm) are generally priced at the lower end (\$15-\$30), while larger boxes (e.g., 600 x 500 x 250 mm) can reach \$100-\$150 per unit .
- **Material:** Boxes made from PVC or polystyrene are more affordable, while metal or corrosion-resistant materials may increase the price .
- **Protection Rating:** IP65-IP67 rated boxes, which are dustproof and waterproof, are more expensive due to enhanced durability and safety features .
- **Manufacturer and Certification:** Companies like IREX and Norden Vietnam provide ISO-certified products, which may carry a premium for quality assurance and compliance with international standards .

Supplier Options

- Volza lists over 180 Vietnamese suppliers exporting distribution boxes globally, offering a wide range of sizes and specifications .
- Tibox provides detailed product dimensions and IP ratings, suitable for industrial a...
