

Price quote for trapezoidal cable tray production

Article Overview

Trapezoidal cable trays typically range from \$2 to \$25 per meter, depending on material, size, coating, and order volume, with bulk B2B prices often lower.

Pricing Overview

The cost of trapezoidal cable trays varies significantly based on material, manufacturing process, and supplier. Common materials include galvanized steel, stainless steel, and aluminum, each affecting durability and price. Galvanized steel is widely used for its balance of cost and strength, while stainless steel offers superior corrosion resistance at a higher price, and aluminum is lightweight but more expensive than steel .

- B2B Bulk Pricing: Suppliers like Shandong Hongfeng offer trapezoidal cable trays in bulk, with prices ranging from \$0.80 to over \$76 per unit, depending on size, material, and customization . Bulk orders reduce per-unit cost, making it suitable for industrial and construction projects.
- B2C Retail Pricing: Smaller-scale consumer products, such as under-desk or home office trays, are priced between \$15 and \$34, but these are generally not suitable for heavy industrial use .

Cost Factors

- Material and Coating:
- Galvanized Steel: Standard, cost-effective, durable....
