

Qatar Network Cabinet Manufacturers and Suppliers

Article Overview

Top network cabinet suppliers in Qatar include Microsys Networks, Digix Technologies, Zayn Software WLL, and Strategy International, offering a wide range of wall-mounted and floor-standing cabinets from 6U to 47U.

Leading Suppliers

Microsys Networks WLL is a prominent supplier and distributor of network cabinets in Doha, Qatar. They offer cabinets ranging from 6U to 47U with mesh or glass front doors, suitable for wall mounting or floor installation. Microsys provides Qtel-approved cabinets and works with brands like Norden, Panduit, Toten, Opterna, and Techlogiks. Their cabinets support active and passive devices such as switches, routers, servers, and 19-inch optical fiber terminal boxes, ensuring proper airflow and security for IT equipment. Digix Technologies supplies high-quality network cabinets in Qatar, offering similar sizes (6U-47U) and configurations, including floor-standing and wall-mounted options. Their cabinets are used in computer network engineering, telecommunications, radio and sound systems, finance, schools, and government projects. Digix emphasizes timely delivery and technical support for clients. Zayn Software WLL is another key dealer in Doha, providing network cabinets with glass or mesh doors, floor or wall-mounted. They cater to medium and large-scale wiring projects and offer technical guidance for installation and equipment management. Strategy International offers a comprehensive range of network racks and cabinets designed for structured cabling, servers, and power systems. Their products focus on secure enclosures, efficient cable management, and optimized airflow, suitable for...
