

RCU Distribution Box Manufacturer

Article Overview

Leading manufacturers of RCU distribution boxes include Atex Delvalle, Delta, Weidmüller, and INDU-ELECTRIC, offering customizable, certified, and robust solutions for industrial and hazardous applications.

Key Manufacturers and Offerings

Atex Delvalle specializes in explosion-protected and hazardous area distribution boxes. They manufacture custom local control stations, distribution boxes, and terminal enclosures in stainless steel (AISI 304L and 316L) with ATEX and IECEx certifications. Their products are designed for extreme temperatures and outdoor conditions, with modular internal layouts, LED indicators, voltmeters, and ammeters. They also provide polyester and GRP enclosures for flexible configurations and hazardous zones 1, 2, 21, and 22 .

Delta Electronics offers Rack Power Distribution Units (rPDUs) for data centers and industrial racks. Their rPDUs provide reliable power distribution, protection, and intelligent management, with vertical Zero-U and horizontal options. Delta's units integrate with InfraSuite Management software for remote monitoring and support modular installation in various rack cabinets .

Weidmüller provides modular and decentralized distribution boxes for signal and power transmission up to IP67. Their FieldPower® system combines busbar trunking and standard cables for flexible power distribution. They offer pluggable insulation displacement connections, ergonomic sensor-actuator distributors, and EX zone-certified variants for hazardous environments
