

SMC optical distribution box manufacturer

Article Overview

Leading SMC optical distribution box manufacturers include Bwnfiber, Tstar Technology, Fibconet, Newsun Tech, and Tarluz, offering durable, high-capacity fiber management solutions.

Key Manufacturers and Offerings

Bwnfiber is a professional SMC fiber optic distribution box manufacturer in China with over 10 years of experience. They produce boxes made of glass fiber reinforced plastic, which are lighter than metal but stronger than standard plastic. Their products are designed for FTTX network installations, providing easy installation, cost efficiency, and solid protection for fiber networks. Bwnfiber offers customized solutions for different network projects and provides full catalogs upon request . Tstar Technology specializes in SMC fiber optic distribution boxes suitable for telecommunications, data centers, and CATV networks. Their boxes are made from high-strength SMC material, resistant to corrosion, impact, and UV radiation. They feature waterproof locks, three-point door latches, and excellent insulation to prevent condensation. Capacities range from 144 to 576 cores, supporting both single-fiber and ribbon-fiber splicing, with options for floor-mounted or wall-mounted installation . Fibconet manufactures SMC junction and distribution boxes with a focus on durability and environmental resistance. Their production centers in Ningbo and Jilin cover large-scale manufacturing, including PLC splitters and fiber optic connectors. Fibconet provides comprehensive services from sample provision to mass production, with a warranty period of 24 months and a track record of exporting globally . Newsun Tec...
