

# Slovakian export fiber optic distribution box

## Article Overview

Slovakia offers a range of high-quality fiber optic distribution boxes suitable for FTTX/FTTH networks, indoor/outdoor deployment, and export.

### Key Slovakian Suppliers

1. Sylex Fiber Optics Sylex specializes in high-density optical interconnect solutions, including factory pre-terminated trunk cables with MPO/MTP connectors and fiber distribution boxes for complex cabling needs. Their products support both small-scale (4-12 fibers) and large-scale (up to 144 fibers) deployments, making them suitable for parallel connectivity and high-density routing challenges . 2. Stable Technology via TradeKey Stable Technology offers a variety of fiber optic terminal boxes, including wall-mounted, rack-type, and cabinet solutions. Their OFTB02 type is designed for FTTX applications, supporting SC or LC adapters, IP67-rated for outdoor use, and providing vibration, pressure, and pulling protection. These boxes are compact, lightweight, and allow easy access via sliding shackle mechanisms . 3. OTRANS Communications OTRANS provides industrial-grade fiber distribution boxes (FDB) and optical distribution frames (ODF) for 1-24 cores. Their products are made from high-impact ABS+PC materials, ensuring durability and mechanical protection. They offer versatile mounting options for walls, poles, or cabinets, and are suitable for both indoor and outdoor environments. OTRANS boxes are IP65-rated and designed for FTTX/FTTH deployment, supporting passive optical distribution networks
