

Southeast Asian complete power distribution box manufacturer

Article Overview

Top recommended manufacturers in Southeast Asia include Asiatic Group (Singapore), Hensel, and other regional suppliers offering high-quality, certified power distribution boxes.

Key Manufacturers

1. Asiatic Group (Singapore) Asiatic Group specializes in enclosures and distribution boxes suitable for commercial and industrial applications. Their products include thermoplastic polystyrene and polycarbonate distribution boards with IP65 to IP67 protection against dust and water. They are UV-resistant, halogen- and silicon-free, flame retardant, and self-extinguishing, meeting IEC 60 695-2-11 standards. The ENYCASE cable junction boxes are double insulated (protection class II) and designed for safe, fast, and standard-compliant installation . 2. Gustav Hensel GmbH & Co. KG Although headquartered in Germany, Hensel has a strong presence in Southeast Asia. They provide innovative electrical installation and power distribution systems for low-voltage applications, designed to withstand harsh environmental conditions such as dust, humidity, and extreme temperatures. Their solutions are widely used in industrial and facility equipment projects . 3. Regional Suppliers via Alibaba and Local Distributors Southeast Asia's power distribution equipment market is growing rapidly due to urbanization, industrial expansion, and renewable energy integration. Platforms like Alibaba list multiple suppliers offering steel low-voltage switchgear, harmonic filters, and custom distribution boxes. These suppliers cater to data centers, industrial parks, and smart city projects, reflecting a strong demand for reli...
