

Southern European High-Tech Fiber Optic Connector Manufacturer

Overview

European Designer and Manufacturer of Specialised Fibre Optic Connector Interfaces. We offer a wide range of products and services, structured to optimise the performance of optical fibres in key market sectors, including, telecommunications, transport, aerospace . They form the foundation for high-performance technologies and innovative applications. Rosenberger develops and manufactures connectors, cable assemblies, and connectivity solutions for the reliable transmission of data, signals, and power. 2026 At DIAMOND, we combine decades of experience in high-performance fiber optic. From challenging projects at the edge of feasibility to rugged solutions for extreme environments, Amphenol Precision Optics offers customized fiber optic components for a wide range of applications in medical, military and industrial markets. Our test equipment portfolio delivers accurate, reliable fiber optic.
