Article Overview

Top cable tray manufacturers in Sri Lanka include Bianco, C&D Electrical, Magline, PRISMA, and Eastlink, offering a wide range of materials, designs, and customizable solutions.

Leading Manufacturers and Suppliers

Bianco is a trusted manufacturer providing cable trays in mild steel, stainless steel, and aluminum, suitable for both indoor and outdoor applications. Their products are designed for industrial and commercial use, offering corrosion resistance and customizable options to meet project-specific requirements. C&D Electrical specializes in durable and flexible cable trays for industries such as power generation, telecommunications, and construction. They offer a wide array of trays and accessories with customization options for size and material. Magline focuses on slotted cable trays, which allow easy attachment of accessories and flexible routing. Their products are ideal for industrial plants, data centers, and telecom infrastructure, providing efficient cable management solutions. PRISMA manufactures cable trays, ladders, trunkings, and floor trunkings in various materials. Their products are tested according to international standards and produced in an ultra-modern facility with short lead times. PRISMA also offers powder coating in different colors and finishes to suit project requirements. Eastlink supplies a variety of cable trays and accessories, including electro-galvanized, hot-dip galvanized, steel, aluzinc, and aluminum alloy options, engineered for safe and organized cable distribution in diverse environments
