

Tariff Costs Network Patch Panel 2 Cores

Overview

The applicable subheading for the patch panels will be 9403. 8040, Harmonized Tariff Schedule of the United States (HTSUS), which provides for “Other furniture and parts thereof: Parts: Other: Other: Of metal”. The HTS is based on the international Harmonized System, which is the global system of nomenclature applied to most world trade in. Please view our full RLH price list and contact us at info@fiberopticlink.com if you have any questions or special project needs. The connectors are several types of fiber optic connectors. This panel accommodates two fiber lines and is perfect for compact spaces due to its neat, duplex connector design. The Cisco ® solution of panel and cable assemblies offers versatile solution for any breakout. The Relevance Inspector will open in the Coveo Administration Console. QUICK LINKS: Copper Systems | Data Center.
