

What accessories are stored in the cabinet

Article Overview

Cabinets can store a wide range of accessories, including pull-out organizers, spice racks, Lazy Susans, adjustable shelves, and drawer inserts to maximize space and accessibility.

Common Cabinet Accessories

Pull-Out Organizers: These allow easy access to items at the back of deep cabinets, including trash and recycling bins, under-sink storage, and multi-bin setups for sorting compost, paper, and plastics, making retrieval fast and convenient . **Drawer Organizers & Inserts:** Expandable cutlery trays, utensil dividers, and compartmentalized inserts help keep kitchen tools, cutlery, and small items neatly arranged and easy to find . **Lazy Susan or Corner Carousels:** Ideal for corner cabinets, these rotating trays make it simple to reach items tucked away in hard-to-access spaces, such as spices, canned goods, or small appliances . **Adjustable Shelves:** Shelves that can be moved or resized allow for flexible storage of dishes, pots, pans, or pantry items, optimizing vertical space within cabinets . **Spice Racks:** Pull-out or built-in spice racks keep bottles organized and accessible, often hidden within the cabinet to save counter space . **Soft-Close Hinges and Slides:** While not storage per se, these accessories prevent slamming, protect cabinet hardware, and enhance safety, especially in busy kitchens . **Specialty Storage:** Cabinets can also include hidden wine racks, utensil holders, and small containers for pens, markers, or office supplies in non-kitchen settings, providing organized storage for miscellaneous items . By incorporating these accessories, cabinets become more functional, reduce clutter...
