

What are some manufacturers of electrical distribution boxes for construction sites in Senegal

Article Overview

Key manufacturers and suppliers of construction site electrical distribution boxes in Senegal include VINCI Energies (ENERGYBOX), SIDEM Sénégal, LSE, Soria Sarl, and SOGELUX.

VINCI Energies – ENERGYBOX and BOSECKER Panels

VINCI Energies, in partnership with Senelec, provides a range of pre-wired construction site distribution boards under the ENERGYBOX brand. These panels are made from technopolymer or metal cabinets, are fire-resistant, and comply with IEC 61439 and IEC 60364 standards. They are suitable for wall-mounting or support installation and are designed for safe and efficient power distribution on construction sites. The BOSECKER and BLOCK series offer robust solutions for temporary or permanent electrical setups.

SIDEM Sénégal

SIDEM Sénégal offers a comprehensive range of electrical products, including prefabricated posts, transformers, and accessories for network distribution. They provide customized solutions, project consultation, installation, and maintenance services. SIDEM emphasizes compliance with standards, rapid installation, and reliability, making them a strong choice for industrial, residential, or commercial co...
