

Where in India can I buy cable trays

Article Overview

You can find high-quality cable trays in India from leading manufacturers like KP Green Engineering, Electrotech Industries, and online platforms such as IndiaMART and Amazon.

Top Manufacturers and Suppliers

1. KP Green Engineering KP Green Engineering is a premier cable tray manufacturer in India, offering a wide range of products including perforated, ladder-type, and FRP cable trays. Their trays are made from mild steel, pre-galvanized steel, and fiberglass reinforced plastic, with options for customization in thickness, width, length, and side rail height. They cater to industrial plants, data centers, refineries, substations, tunnels, commercial buildings, and rooftop solar systems, ensuring compliance with international standards and high durability (KP Green Engineering), . 2. Electrotech Industries Electrotech Industries provides stainless steel and aluminum cable trays suitable for data centers, commercial buildings, solar energy, telecommunications, and industrial facilities. They offer ladder, perforated, and solid bottom trays, with features like powder-coated finishes, hot-dip galvanization, and advanced perforated knockouts for flexible cable branching. Their products are designed for heavy-duty applications and long-term reliability (Electrotech Industries), . 3. Abaj Storage Solutions Abaj Storage Solutions manufactures steel, perforated, powder-coated, trunking, and galvanized cable trays. Their trays are suitable for both indoor and outdoor use, providing strong support and durability. They also supply a range of accessories like bends, tees, elbows, and couplers to complete cable management systems (Abaj Storage Solutions),
