

Where to find good electrical distribution boxes in Sri Lanka

Article Overview

Sri Lanka has several reputable manufacturers producing high-quality electrical distribution boxes for residential, commercial, and industrial applications.

Key Manufacturers

Cubik Engineering Co. (Pvt) Ltd Established in 2006, Cubik designs and manufactures a wide range of electrical enclosures and switchboard components. Their TIMIK Modular Panel System and wall-mounting box enclosures are tested for IP65, corrosion resistance, and impact resistance at UKAS-accredited laboratories. Cubik supplies both the local market and exports internationally, offering modular panels for low-voltage switchboard assemblies and complete outdoor enclosures . Magline Switchboards Pvt Ltd Magline specializes in low-voltage power distribution panels and systems for industrial and domestic use. They provide sub-distribution panels, cable management systems, and server racks, adhering to international standards to ensure safe and reliable power delivery . CEYLEKTRA (Bianco) CEYLEKTRA offers metal distribution boxes and enclosures suitable for industrial and commercial electrical systems. Their products are available in wall-mounted or free-standing designs, with customizable thicknesses and powder-coated finishes for corrosion resistance. CEYLEKTRA enclosures comply with IP and IEC standards, ensuring durability and safety . Micro Electric International (Divolca) Divolca manufactures compact electrical distribution boxes, such as the MCB Box 100 (2-way), designed to house miniature circuit breakers for residential, commercial, or industrial circuits. Their products are made using environmentally friendly technology and materials, e...
